HOW TO BALANCE THIS STATEMENT WITH YOUR OWN RECORDS

Mark off on your record all items appearing on the Statement.

List all cheques not ticked off* and total them.....

*The "unticked" cheques have not as yet been paid through your account, and will appear on your next Statement.

TOTAL

\$

Write down the balance shown on the bank statement.....\$

Subtract total of cheques not ticked off, as shown above.....

This figure should agree with the balance shown in your record of cheques and deposits.....\$

To prevent forgetting the cheques you write, enter them in your Record BEFORE you write them.
