Hello,

I received a response from the law office that Dad was dealing with in Grenada.

It sounds like ownership of 5 Old Mill isn't the case, but I'm not sure if Dad was able to sell it, or if, as the lawyer suggests, the purchase wasn't completed.

I'm not sure how to proceed with action one; you can read the notes I've put together on the "Ownership-Old Mill" tab.

I've also attached the lawyer's copies of Dad's correspondence with the law office. It looks like he planned a trip to Grenada to speak with the attorney-at-law involved, but I don't think I have anything that speaks to an outcome.

Christopher.

I'm amazed you are moving ahead as you are. Have you anything further on your grandparents' properties? - L
