Dear Mr. Ayers,

Thank you very much for your very nice letter of 15th December, 1979 with its enclosure of a Draft for \$998.00 E.C in final payment of my bill for professional services.

I must say that I was somewhat surprised to learn that you were compelled it would appear, to erect a fence a whole mile long presumably because your land bordered that of a farmer, how interesting the Law can be. I suppose such a Law is necessary in a farming community, I can assure you that I have learnt something and can well imagine the inconvenience.

My letter of the 22nd November was intended only to be a reminder, more so as I was anxious to send you your Title Deed for the property.

Once again I wish to acknowledge with grateful thanks your enclosed Draft and to express my appreciation of your letter.

I now have pleasure in enclosing herewith your Licence and Deed of Conveyance in respect of the property. Please be good enough to let me know as soon as they have been received.

Yours faithfully,

Answered and Postage paid. Feb 4. 80
