Dear Mr. Brasseur:

Thank you very much for your letter of 10th may which we just find to day in our mail box when we come back to Madrid.

We are happy to know than you and all your family are well.

Concerning your questions about Mt. Alexander projet nothing has changed since the beginning and my understanding is that you are our sales agent in Montreal.

The progress of the Development has been slowed down due to the irregular situation in the island, and I intend to be back in Grenada in june.

You have been badly informed as I am not building any shopping center here.

As soon as I reach Grenada I will forward to you all the promissory notes, deeds, and etc., wich have been delayed.

Hoping to hear from you soon, and with our best wishes for yourself and all your family,

Yours sincerely,
