Dear Sirs:

We are writing in reply to your letter of April 30th, concerning information on credits to your account received from various branches by order of your clients. As we do not have any record of the details which you require, we would suggest you get in touch with your clients asking them to ensure that the particulars are included when they request their bank to effect the transfer, or in the case of people that mail cheques directly to us, that the information is included in the covering letter.

As requested, we will hold all advices of entries to your account and forward them with the monthly statement.

We trust this will meet with your approval.

Yours truly

R.J. Ward, Manager,
Payments Department.

Note: to Mr. Brasseur:

Please tell the clients give their names to the bank everytime they make any payment.
