Latest Mount Alexander Development NEWS.....

Mount Alexander Development has a new secretary.....

Mrs. Mariluz Buxo, She is a spanish girl who came to Grenada to study English in the Convent and got married to a Grenadian boy

Final cost of houses .....

\$. 14.00 to 20.00 W.I. per square ft. according to materials used and finishing.

Mount Alexander has a new engineer....

Mr. Donald E. Allen.... American ,who is a friend of Mr. Rocafort, will be in charge of Mount Alexander and will take care of all the constructions work.

Mr. Rocafort.....

Mr. Manuel Rocafort has the intention to go to Europe in the middle of July, and hope to get the final operation in August or September the latest, most probably in England, Mr. Rocafort will let us know exactly when. During his absence Mr. Donald E. Allen will be in charge.

Deeds.....

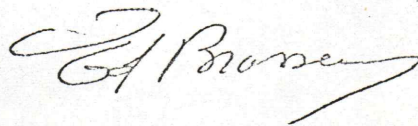

Before Mr. Rocafort leaving, all deeds will be ready ( Mr. Clyne is working on it right now )

Personnel to The clients who was in Grenada in June

Mr. Rocafort is very sorry that he was not able to meet them as he had to make an unexpected trip to Caracas, and he is very sorry to hear that they had a poor service during his absence and will take action about this, if anybody want to make a complaint, please contact Mr. Rocafort at once.

This is all for now
